

Barnsley Christian School Web Site Child Protection Statement

Our commitment

As Leadership we recognise the need to provide a safe and caring environment for children, and young. We acknowledge that children and young people can be the victims of physical, sexual and emotional abuse, and neglect. We accept the UN Universal Declaration of Human Rights and the International Covenant of Human Rights, which states that everyone is entitled to “all the rights and freedoms set forth therein, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status”.

We also concur with the Convention on the Rights of the Child which states that children should be able to develop their full potential, free from hunger and want, neglect and abuse. They have a right to be protected from “all forms of physical or mental violence, injury or abuse, neglect or negligent treatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s), or any other person who has care of the child.” As a Leadership we have therefore adopted the procedures set out in this safeguarding policy in accordance with statutory guidance. We are committed to build constructive links with statutory and voluntary agencies involved in safeguarding.

The policy and attached practice guidelines are based on the ten **Safe and Secure** safeguarding standards published by the Churches' Child Protection Advisory Service (CCPAS). This policy works in conjunction with our Safer Recruitment Policy referencing ‘Safeguarding Children & Safer Recruitment In Education, Jan 2007/March 2009.

The Leadership undertakes to:

- endorse and follow all D.f.E, national and local safeguarding legislation and procedures, in addition to the international conventions outlined above.
- provide on-going safeguarding training for all its workers and will regularly review the operational guidelines attached.
- ensure that the premises meet the requirements of the Disability Discrimination Act 1995 and all other relevant legislation, and that it is welcoming and inclusive.
- support the Safeguarding Coordinator(s) in their work and in any action they may need to take in order to protect children and vulnerable adults.
- file a copy of the policy and practice guidelines with CCPAS and the local authority LSCB, Social Services and any amendments subsequently published.
