

Barnsley Free School Survey

Barnsley Christian School with Hope House Church is a leading and highly successful education provider in Barnsley. We're interested in your views about plans to open a sponsored Free School in Barnsley.

What sort of school is being proposed?

Barnsley Christian School is proposing a Christian ethos, all ability, mixed, all-age (4-16) school. The school will be non selective and will place no emphasis upon ability, race, religious affiliation or gender. It will be a safe and secure community school where your child's success will be based on mastering the core skills of literacy and numeracy early on. There will be a focus on high aspirations, expectations and achievements for each child where each individual can attain their real potential. The school will be based upon the already successful Barnsley Christian School where attainment at GCSE is considerably above national average. The strong Christian ethos will allow for a secure foundation to be laid preparing pupils not just for academic success, but for life.

What are the main features of Barnsley Christian Free School?

- No fees
- Christian ethos
- Community based
- Small class sizes
- Non selective
- Each child individually supported and developed to their full potential
